PLANT LIST

17–19 FLOWERS STREET, CAULFIELD SOUTH

INGE JABARA LANDSCAPES

All project phases

Inge Jabara Landscapes is a Melbourne-based landscape design and construction studio with more than 15 years' experience creating considered, liveable gardens. Inge's work has featured across six seasons of *The Block*, as co-host of Bunnings' *Make It Happen*, and in *House & Garden* magazine. This plant list brings together every plant specified across all phases of the 17–19 Flowers Street project, as a reference for caring for your garden.
